Hi Stephen. The draft BOS ad looks good to me. In response to your request, we hereby authorize an extension of the County's decision deadline until September 13, 2010.

Mr. Nein / Mr. Downie,

Attached to this email is a draft legal advertisement for the September 13, 2010 Board of Supervisors Public Hearing. Though the ad is the final used for the Planning Commission Public Hearing, it would be helpful to review for consistency nonetheless. The draft ads are due to the County Attorney's Office tomorrow. Also, I am in need of a timeline extension as the decision deadline extended by the attached email has passed.

Finally, please advise regarding when a revised comprehensive sign plan will be submitted with changes that reflect the Planning Commission's recommendations at the July 14, 2010 Work Session. Given the ad deadline is tomorrow, a revised sign plan should be submitted no later than Friday (8/6/10). A submission prior to Friday is appreciated.

Thanks,

Stephen Gardner

Hi Stephen. In consideration of the Planning Commission public hearing on this application scheduled for April 28th and the probability of a Planning Commission work session in May, we hereby authorize an extension of the County's decision deadline on this application until July 20, 2010. We are hopeful that this case will be concluded favorably before July 20th.
